

ELECTRIC HAIR DRYERS

KALISPOT

↻ wall mounting

DESCRIPTION:

The electric gun shape hair dryer KALISPOT, thanks to its front placing body, certainly ranks among the products with the minimal overall dimensions, commercially available. Its sober and simple design, ease of use and compact size make it particularly suitable for installation in hotels bathrooms.

Silent and reliable operations are making this product one of the most innovative and simple to use on the market.

MAIN FEATURES:

- Made of impact and thermo-resistant ABS resin.
- ON/OFF switch located on the base.
- Automatic ON/OFF switch through a release button located on the handle.
- Adjustable air flow and temperature in two positions.
- Safety system that turns the unit off automatically in case of overheating.
- Due to its sober and elegant design, finds its natural place in all those premises destined for the community (gyms, malls, hotels etc.).
